

God Only Knows

Stephanie McIntosh

How I wake in the morning
How I wont see the space, that gaping hole here in my bed
How I make my cup of coffee
How I walk to the subway and I miss you hold my hand
God only knows, I fall in, I freak out, too deep I cannot
climb out
You told me you love me, I thought that meant you loved me
My stupid heartbreaks when will I ever learn to let go
god only knows, god only knows..How I wander the sidewalks
How I make it to work on time now that you're gone
When I cant make my car start
When I cant pay the rent.. how will I go on?
God only knows, I fall in, I freak out, too deep I cannot climb out
You told me you love me, I thought that meant you loved me
My stupid heartbreaks when will I ever learn to let go
God only knows
Standing in the pouring rain, I'm fighting back the tears again
I thought the love will last forever, please, I cant seem to..
Breathe...I fall in, I freak out..
Yeah..I fall in, I freak out, too deep I cannot climb out
You told me you love me, i thought that meant you loved me
when will I ever learn to let go
god only knows, god only knows...
Yeah...
