Meet Me Half Way

Orangez

In a lifetime, made of memories
I believe in destiny
Every moment returns again in time
When I've got the future on my mind
Know that you'll be the only one
Meet me halfway across the sky
Out where the world belongs to only you and I
Meet me halfway across the sky
Make this a new beginning of another life
In a lifetime there is only love
Reachin' for the lonely one
We are stronger when we are given love
When we put emotions on the line
Know that we are the timeless ones
Meet me halfway across the sky
Out where the world belongs to only you and I
Meet me halfway across the sky
Make this a new beginning of another life
Meet me halfway across the sky
Out where the world belongs to only you and I
Meet me halfway across the sky
Make this a new beginning of another life
Meet me halfway across the sky
