

Secret Admirer

[Lisa Punch](#)

Verse 1:

I never had experience with this thing called love
Until I met you (I met you) my only love
Never found no one as good as you
My boy, my boy, my sunshine yeah
As I watch you from a distance I see you stare at me
In your eyes I can see
Somethings there for me
I am not so sure if you are free
If you are give me a ring on my celly

Chorus:

As I approach you
My heart beats faster
As I approach you
My knees go weak
As I approach you
I'm lost for words
As I approach you
I wanna see you smile
My baby I'm your secret admirer
Your secret
Your secret admirer (oh baby)

Verse 2:

Don't know why
I'm feeling this way
Why I got caught in the spell
your eyes cast on me
Why did your voice hypnotize me
Tell me, tell me now
I don't know what to do

Chorus:
