

Thrift Shop Junkie

Voodoo Glow Skulls

Everyday wehn I go to school
People say I look like a fool
They don't like the way I dress
Hey!, I don't wear pants made by Guess
Plaid pants aren't too funny
I bought them with yesterday's lunch money
Don't laugh at my pointed shoes
They only cost a \$1.92
I don't care
I'll be back there tommorrow
I won't drown in your sorrow
Maybe, I'll have enough for two
Maybe, I'll buy a pair for you!
Go ahead and laugh
I won't get mad
This shirt used to be your dad's
