

Keep You Dreamin'

Doyle Bramhall II

Come here so I can let you know
I'll give you everything I have
I ain't gonna lose you, girl
Are you ready for a steady man?
'Cause I've been waiting for this moment
I'm gonna take you in and show you
Nobody else will ever touch you like this
I'm gonna be the one you dream about, yeah
I'm gonna lay with you, lady Watch you sleeping in the morning sun
This ain't gonna be like the other one
Oh, can you see it when I look at you baby
I want you so bad, oh yeah
I wanna make love with you
I won't ever let you go, girl Come on, kiss me and you'll know
You'll never need nothing else, no
'Cause I've been waiting for this moment
I'm gonna take you in and show you
Nobody else will ever love you like this
Keep you up with things to dream about, yeah
I wanna lay with you, lady
Watch you sleeping in the morning sun
Everything is gonna be alright, yeah
Now that you're with me, sweet baby
I want you so bad, oh Come to me, girl
Come on, come on, come to me girl
Come on, come on, come to me girl
Come on, come on, come to me girl I'm gonna lay with you, lady
Let me kiss you 'til the morning comes
Moving me, baby
Can't you see it, where you belong You're gonna be mine
You're gonna be mine Come to me, where you belong
Oh, can you see it when I look at you baby
I'm gonna be there (I got everything you need)
Yeah, I'm gonna be there (To keep you dreaming)
You're gonna be my lady (Take everything you need)
Come in to me girl (I'll keep you dreaming) Kiss me and you'll know, sugar (I'll keep you dreaming)
(I'll keep you dreaming)
(I'll keep you dreaming)

(I'll keep you dreaming)
