

# It's A Man's World

## James Brown

This is a man's world, this is a man's world  
But it wouldn't be nothing, nothing without a woman or a girlYou see, man made the cars to take us over the road  
Man made the trains to carry heavy loads  
Man made electric light to take us out of the dark  
Man made the boat for the water, like Noah made the arkThis is a man's, a man's, a man's world  
But it wouldn't be nothing, nothing without a woman or a girlMan thinks about a little baby girls and a baby boys  
Man makes them happy 'cause man makes them toys  
And after man has made everything, everything he can  
You know that man makes money to buy from other manThis is a man's world  
But it wouldn't be nothing, nothing without a woman or a girlHe's lost in the wilderness  
He's lost in bitterness
