

Pet The Destroyer

Lordi

Its breath intoxicating
Its ego suffocating
Its here in my house -
Tryin' to get out its moves exhilarating
Tempers infuriating
Its no sage -
Rampage the cage but you'll be safe
You can feed it - you wanna play?
Its almost tamed Pet the destroyer
My beast Le royal
Pet my destroyer
Sweet killing machine
Oh won't you please meet the beast? Its stare infatuating
I'm not exaggerating
It breaks off the leash
Creature released its jaws intimidating
Rage indiscriminating
It looks kinda mad -
(well this) looks kinda bad this isn't safe, NO!
I can feel it
This isn't play
It can't be in tamed Pet the destroyer
My beast le royal
Pet my destroyer
Sweet killing machine
Oh won't you please meet the beast?
Oh won't you please feed my beast?
