Tristan

Two Steps From Hell

I am the tragedy
And the heroine
I am lost And I am rescuing
The storm is come
And I am following
My name is Tristan
And I am alive
Forever young
I come from God knows where
'Cos now I?m here
Without a hope or care
I am trouble
And I am troubled too
My name is Tristan
And I am alive

Sorrow by name
And sorrow by nature
Working for joy
On overtime
Stuck on a line
Of misadventure
I fear no crime
I am the victim
And the murderer
You speak of love
But I?ve never heard of her
I am fucked
And I am fucking too
My name is Tristan
And I am alive
