

Walked the Line (Rroyce Remix)

Chrom

Can't remember anything you said
I try to hide in a smile instead
I hope and pray that you are by my side
I'm restless and I can't sleep at night
My mind's weird and I try to keep control
And I always walked the line
I guess I did it all the time
It was never good for me
I surrender now I see
Everybody has to choose
How to live without excuse
There's no time to hesitate
'Cause I don't believe in fate
I'm on the run, I try to get away
Leave me alone, I don't wanna stay
I can't run, but I can't hide
I can't get no sleep at night
I'm sick and tired, there's nothing I can do
And I always walked the line
I guess I did it all the time
It was never good for me
I surrender, now I see
Everybody has to choose
How to live without excuse
There's no time to hesitate
'Cause I don't believe in fate
And I always walked the line
I guess I did it all the time
It was never good for me
I surrender, now I see
Everybody has to choose
How to live without excuse
There's no time to hesitate
'Cause I don't believe in fate
No, I don't believe in fate
