All I Need

ALL I NEED LYRICS BY DR TUMI

I used to think that it will take my strength,
but only by your grace it can be done,
so highly, the enemy
walking to your sufficiency.
You're all I need, You're all I need.

I love Lord, how You never put me down,
And even when I fall down You don't change,
You remain, true to Your Word,
reach out for me when I begin to sink,
You're all i need, You're all i need,

You're Elshadai, You are truly more than enough,
Jehova Jireh, You're the one who provides.
Yahweh, Elohim, Adonai, Alfa and Omega
You're all I need, You're all I need,

The enemy thought I'll never make it this far,
but Jesus son of God, He is my friend,
even in the valley of the shadow of death,
I will fear no evil Lord, cause You're with me,
And You're all I need,

You are Elshadai, You are truly more than enough,
Jehova Jireh, You're the one who provides,
Yahweh, Eloi, Adonai, You are Alfa and Omega
You' re all I need, You're all I need x2

You're all I need x6
