Nobody Knows Me (mount Sims Old School Mix)

Madonna

I've had so many lives
Since I was a child
And I realize
How many times I've died
I'm not that kind of guy
Sometimes I feel shy
I think I can fly
Closer to the sky
No one's telling you how to live your life
But it's a setup until you're fed up
This world is not so kind
People trap your mind
It's so hard to find
Someone to admire
I, I sleep much better at night
I feel closer to the light
Now I'm gonna try
To improve my life
No one's telling you how to live your life
But it's a setup until you're fed up
It's no good when you're misunderstood
But why should I care
What the world thinks of me
Won't let a stranger
Give me a social disease
Nobody, nobody knows me
Nobody knows me
Nobody knows me
Like you know me
Nobody knows me
Nobody knows me
Nobody knows me
Like, like you know me
No one's telling me how to live my life
But it's a setup and I'm just fed up
It's no good when you're misunderstood
But why should I care
What the world thinks of me
Won't let a stranger

Give me a social disease

I don't want no lies
I don't watch TV
I don't waste my time
Read a magazine
I don't want no lies
I don't watch TV
I don't waste my time
Read a magazine
I, I sleep much better at night
I feel closer to the light
Now I'm gonna try
To improve my life
Nobody, nobody, nobody, nobody knows me
Nobody knows me
Nobody knows me
Like you know me
Nobody knows me
Nobody knows me
Nobody knows me
Like, like you know me
Like you know me
Like you know me
Like you know me
Like you know me
Nobody knows me
(I don't want no lies)
Nobody knows me
(I don't watch TV)
Nobody knows me
(I don't waste my time)
Like you know me
(Read a magazine)
Nobody knows me
(I don't want no lies)
Nobody knows me
(I don't watch TV)
Nobody knows me
(I don't waste my time)
Like you know me
(Read a magazine)
