

It's Whatever

Straight Up Sound & Bramma

It's whatever
It's whatever
Whatever
Just like the birds that whistle in the tress
Here in the leaves so happily
Well, you're my tree and through storms
You've stood strong for me
Kept me warm as can be
Like a candy to an apple, oh, we go together
Your so sweet on me
I can say that I do believe this is destiny
It keeps calling me
Now it's me and you
And you and me
And it's whatever
Whatever you want it to be
I'm telling you
If it's up to me
Whatever is whatever
It's whatever with you and me
Just like a breeze in the middle of a summers eve
When you come through, you come for me
If I'm a drink you're my lemon squeeze
Oh, you got flavor boy, you go good with me
So boy, don't play or tease me
Ooh, keep me together
You got what I need now it's getting late
It's after three so quit your stalin'
My body's callin'
Now it's me and you
And you and me
And it's whatever
Whatever you want it to be
I'm telling you
If it's up to me
Whatever is whatever
As long as it's you and me
Whatever is whatever
It's whatever, it's whatever

It's your world
I put that on everything
It's your world, your world
Now it's me and you
You and me
And it's whatever
You want it to be
I'm telling you
If it's up to me
Whatever is whatever
Whatever is, whatever, baby
Baby, baby, baby
Whatever, whatever
