# Money, Money

## At Vance

Money Money Money girls,
Money Money Money girls,
Money Money Money, girls girls, cash cash,
Dizzee diz i keep the money coming in,
eight hundred fifty pound jeans covering my shin,
'coz my legs are skinny but my wallet ain't thin,
everytime i bust a smile it's a big money grin,
and i can't stop grinning 'coz i don't stop winning,
everybody wanna bring it like they knew me from beginning,
change my number every week,
my phone don't stop dingin',
gotta change my home address,
my bell don't stop ringin',
and i can't stop sinnin',
so i pray on the women,
take 'em to the player pad,
for some late night swimmin',
then we do the wild thing,
'coz we finished skinny dippin',
then i pray in the mornin',
that my willy ain't stingin',
now she says she got a man,
but her heart ain't in him,
if he ever tries a ting,
then i'm gonna have to chin him,
yeah my attitudes mingin',
but i don't really give a friggin' rasclar,
'coz i been a rude boy thats how i'm livin',
Money money money, girls girls, cash cash,
(i like) money money money, girls girls, cash cash,
(you like) money money money, girls girls, cash cash,
(we like) money money money, girls girls cash cash,

(alright) no rims on my car no twenty-two's,
but i had a mortgage way before i turned twenty-two,
any who, really ain't concerned wi' who i tell it to,
i got an attitude, similar, to a smelly shoe,
if i laid my trainers out,
i bet they stretch to Timbuktu,

i got so many fitted hats,
i don't know what the fuck to do,
see me on the tele with Jeremy Paxman on the news,
gotta raise my profile and my money,
don't get it confused,
i will never lose,
standardly, i'll always get my dues,
you ain't never catch me sleeping,
i will never snooze,
but you still might catch me kickin' back,
on a luxury cruise,
with a freaky model,
blowin' me like a didgeridoo,
it's just the shit that we do,
on a regular,
i'm tellin' ya,
try play me for my money,
and i'll put a shell in ya,
now people think im ignorant,
they say i'm too flash,
all i know is money money, girls girls, cash cash!
so i say,
Money money money, girls girls, cash cash,
(i like) money money money, girls girls, cash cash,
(you like) money money money, girls girls, cash cash,
(we like) money money money, girls girls cash cash,
