Ready For The Weekend

Icona Pop

Grab somebody (repeats)
Grab somebody go live it up ah ah ah-ha
Grab somebody go live it up ah ah ah-ha
Grab somebody go live it up ah ah ah-ha
Grab somebody go live it up ah ah ah-ha.
Yeah baby come on,
Get ready for the weekend.
Yeah baby come on,
Get ready for the weekend.
Grab somebody go lift me up
Yeah baby come on,
Get ready for the weekend.
Grab somebody go lift me up
Yeah baby come on,
Get ready for the weekend.
Well, I?ma find you baby bass
I?ma rock hard in your face.
Like a diamond in the light
I?m the color loving
Bitch uncovered
Well, I?ma find you baby bass
I?ma rock hard in your face.
There no father to some?
Get it all, drink it up
Feel what's in your cup.

(x2:)
Grab somebody go live it up ah ah ah-ha
Grab somebody go live it up ah ah ah-ha
Grab somebody go live it up ah ah ah-ha
Grab somebody go live it up ah ah ah-ha.
Yeah baby come on,
Get ready for the weekend.
Yeah baby come on,
Get ready for the weekend.
Yeah baby come on,
Get ready for the weekend.
Yeah baby come on,
Get ready for the weekend.

Yeah baby come on,
Get ready for the weekend.
Yeah baby come on,
Get ready for the weekend.
Yeah baby come on,
Get ready for the weekend.
Yeah baby come on,
Get ready for the weekend.
Yeah baby come on,
Get ready for the weekend.
Yeah baby come on,
Get ready for the weekend.
