

Untitled 27

Polly Scattergood

I miss you, I miss you, I miss you
I miss you, I miss you, I miss you
I miss you, I miss you, I miss you

Where are you? Where are you?
Where are you?
I'm lost, I'm lost, I'm lost, I'm lost

Where are you Where are you?
Where are you? Where are you?
I'm lost, I'm lost, I'm lost, I'm lost

Suicidal tendencies
Drink creative or deep
Autopilot, love the music

Sick
Sleep, sleep, sleep, sleep, sleep
Sleep, sleep, sleep, sleep, sleep
I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you

I don't want to disappoint you, oh
Because you hold me, oh
Before I fall

You're my unconditional love
You're my eyes and you're my sunny days
But when my pen hit the paper
And try to mold and sculpt and shape her

And make her lovely
It wasn't good enough
It wasn't good enough
But when I can hear the paper

And try to mold and sculpt and shape her
And I try to love it
But it still hurts to touch

It still hurts to touch

And it hurts to touch
And it hurts to touch
And it hurts to touch
And it hurts to touch

And it hurts to be here
I don't want to be here
And it hurts to be here
Tonight, tonight

And it hurts to be here
(Suicidal tendencies)
I don't want to be here
(Drink creative or deep)
Goodnight, my love
