

# Fight for You

Jason DerÅ¼lo

Everywhere I turn there's bombs going off  
Just total chaos all around me, smoke all in the air  
There's casualties in love, broken hearts laying everywhere  
But they don't scare me at all, I got my armor on  
Damn right, I'm ready for battle, I know it's dangerous  
Right now I'm strong enough, I'm pushing through to you  
Baby, I'm on my way  
And I'll fight for you, I'll do what I gotta do  
Yeah, I'll fight for you, I'll fight for you  
I'd risk my life dying on the front line for you  
I'll fight for you, for your love  
I'd fight for your heart, go to war to be next to you  
And no, I won't stop 'til you're mine  
Boy, I'll fight for you, I'll fight for you  
I'll fight for you  
Okay, I'm going in, better take cover  
Better yet, find another 'cause this one's for me  
It's about to be some warfare, I don't care cause the way  
I feel about him I'll go there but they don't scare me at all  
I got my armor on  
Damn right, I'm ready for battle, I know it's dangerous  
Right now I'm strong enough, I'm pushing through to you  
Baby, I'm on my way  
And I'll fight for you, I'll do what I gotta do  
Yeah, I'll fight for you, I'll fight for you  
I'd risk my life dying on the front line for you  
I'll fight for you, for your love  
I'd fight for your heart, go to war to be next to you  
And no, I won't stop 'til you're mine  
Boy, I'll fight for you, I'll fight for you  
I'll fight for you  
Go ahead and mark this date in history  
'Cause it's the battle of the century  
There's never gonna be another soldier for love  
That will fight for you like me  
I'll fight in the south, I'll fight in the north  
I'm gonna fight for you like I never fought before  
I'll fight in the west, I'll fight in the east  
Baby, you my man anywhere I wanna be

I'll fight in the south, I'll fight in the north  
I'm gonna fight for you like I never fought before  
I'll fight in the west, I'll fight in the east  
Baby, you my man anywhere I wanna be  
And I'll fight for you, I'll do what I gotta do  
Yeah, I'll fight for you, I'll fight for you  
I'd risk my life dying on the front line for you  
I'll fight for you, for your love  
I'd fight for your heart, go to war to be next to you  
And no, I won't stop 'til you're mine  
Boy, I'll fight for you, I'll fight for you  
I'll fight for you, I'll fight for you
