Forgery

Urban Dance Squad

Ninety minutes, got so much to say
Front and forgery
Fifteen minutes, but the girl wants me to stay
Front and forgery
Suit and tie, suit and tie becomes so amicable
Front and forgery
Pass the time, pass the time with liquids and chemicals
Front and forgery
Pass on, pass on, move on forget it !Get started, don't know where it begins
Front and forgery
Pull it off at loose ends
Front and forgery
Autograph, fix a laugh and hide a frown
Front and forgery
Just a band that's new in town
Front and forgery
Pass on, pass on, move on forget it !It's cheap
Wake me up while I lie asleep
It's cheap
Throw boulders while the road is steep
It's cheap
