

# Lockdown

## Grip Inc.

Waste  
Life life inside  
Anguish true wounds open raw  
Sounds sliding steel  
Sermons known to shackled nation  
Man human meat  
Senses starved left naked  
World in a world  
Condemned fused in wuth the underworld  
Formed pressed boxed caged  
Must escape into oneself  
Convicted and thrown away  
Undesired sub culture  
Pain does not define suffering  
Formed pressed boxed caged
