Fool

Sarah Blasko

I've been thinking about what you said when we met
That I hold myself back, I'm my own worst enemy
There's truth in what you said, but it's not what you meant
You would have me believe it all just so that I would repentI'm tired of always being your fool
Somebody who's always playing your rulesI've been thinking about who I was when we met
Desperate to be loved, I fell for all you said
I believed you for so long I forgot I was strong
But I know myeself now and I know I was wrongedI'm tired of always being the fool
Somebody who's always playing your rulesI once was lost and now I am found
I see you for who you are
I'm tired of always being your fool
Somebody who's always playing your rules
