

# See the World

## Bob Curnow's L.A. Big Band

Oh!

Do you want to see the world  
Do you want to see the world?  
Do you want to see the world  
In a different way

Yeah!

Do you want to see the world  
Do you want to see the world?  
Do you want to see the world  
In a different way

I remember how we used to say  
Writing poems in your bed sit  
Finding time, that'll be the passenger  
The day ,girl, you never saw me leave  
The day ,girl, you stand in the way  
Oh girl, never lie to me  
Never, I will  
Never, come away  
Never, you said  
Never, lie to me  
Never, I will

Do you really want to see  
Do you really want to see?  
Do you really want to see  
On your television screen?

Bumped up me, died on the floor  
I am here, I'm kinda from the door  
Doesn't mean I want to see you die  
The day you left me in that stormy leave  
The day you were, you sailing away  
The day you were..  
Oh girl, never come away  
Never, you said  
Never, lie to me

Never, I will  
Never, come away  
Never, you sure?

Do you want to see the world

What, what?

Do you want to see the world

What, what?

Do you want to see the what, what, what?

Do you want to see the world

What, what, what?

Do you want to see the world

What, what, what?

Yeah, do you want to see the world

What, what, what?

Well, do you really want to what, what?

Well, do you really want to what, what?

Well, do you really want to stay
