

Whitewater

Advisory - the following lyrics contain explicit language:

Oh sunshine
The loving beauty
Pass me by
Should I waste my time
In your valley
Beneath your sky? Aah, aah, aah, aah
I am home You move your own mountain
The trees have grown
The trees have grown
Now it's over
Now it's over and I'm coming home Aah, aah, aah, aah
I am home
