

# Disco 2000

## The Camden Towners

Oh we were born within an hour of each other  
Our mothers said we could be sister and brother  
Your name is Deborah, Deborah  
It never suited ya and they said that when we grew up  
We'd get married and never split up  
Oh we never did it although I often thought of it Oh Deborah do you recall?  
Your house was very small  
With wood chip on the wall  
When I came around to call  
You didn't notice me at all Well then I said let's all meet up in the year 2000  
Won't it be strange when we're all fully grown  
Be there at 2 o'clock by the fountain down the road  
I never knew that you'd get married  
But I would be living down here on my own  
On that damp and lonely Thursday years ago You were the first girl at school to get breasts  
And Martyn said that you were the best  
All the boys all loved you but I was in mess  
I had to watch to trying to get you undressed  
We were friends but that was as far as it went  
I used to walk you home sometimes but it meant  
Oh it meant nothing to you 'cos you were so popular Deborah do you recall?  
Your house was very small  
With woodchip on the wall  
When I came around to call  
You didn't notice me at all And I said let's all meet up in the year 2000  
Won't it be strange when we're all fully grown  
Be there at 2 o'clock by the fountain down the road  
But I never knew that you'd get married  
But I would be living down here on my own  
On that damp and lonely Thursday years ago Do it  
Oh yeah oh yeah Now Deborah do you recall?  
Oh your house was very small  
Oh with wood chip on the wall  
And when I came around to call  
You didn't notice me at all And I said, let's all meet up in the year 2000  
Won't it be strange when we're all fully grown  
Be there at 2 o'clock by the fountain down the road  
But I'll never knew that you'd get married  
But I would be living down here on my own

On that damp and lonely Thursday years ago  
Oh what are you doing Sunday baby  
Would you like to come and meet me maybe?  
You can even bring your baby  
What are you doing Sunday baby  
Would you like to come and meet me maby?  
You can even bring your baby
