

In A Room

Millencolin

I sing because I'm an artist
I love art and I love you
Come to me and kiss me
Sun is shining when the babes are surfing nude
I've got a bud in my hand and I'm relaxing in the sand
I smile, they smile as my bud is getting hot
They want me to be a surfer and man now why not?
While I'm surfing in my room
Oh, I feel so satisfied
As I'm surfing in my room
The wind is blowing and the waves are all I see
They take me away into another perfect dream
Into another perfect dream

And that's what it is, a dream
While I'm surfing in my room
Oh, I feel so satisfied
Surfing in my room, I feel like a star
Surfing in my room, It's just too bad that I can't get far
Surfing in my room, I feel like a man
A Don Juan on my board, that's what I am
While I'm surfing in my room
Oh, I feel so satisfied
While I'm surfing in my room
Oh, I feel so satisfied
While I'm surfing in my room
