# Death Trap

## Destruction

Midnight, on a forgotten cemetary
No stars, just a black sky
The moon shines red
Terrible sounds in the night it is sabbathWhy are you here?
You've disturbed the sabbath
You know the punishment
There's only one solution... Death!Wolves howl, witches dance around the stake
Serene holy hell, preachers pray
They pray to Satan, his majesty is here
Why are you here?
You've disturbed the sabbath
You know the punishment
There's only one solution... Death!You look confused, and I know why
Now you see sacrfices, feel the flames, feel the fearNow it's too late, you can't escape
Your fear builds up, look at your death,
Where's your god now?
Why did you come?
The ceremony has ended
You know the punishment
Death!... death... death!
