Garden

Miike Snow

In the cool of the day You come and meet me All the blue fades away The stars are winking Your love's so strong I can't recall What was this thing They called the fall? And You walk with me You never leave You're making my heart a garden Oh, why would I hide Away from Your face When the light of Your love Illuminates? Your hand in mine A steady line Drawn on my heart And deep in my mind And You walk with me You never leave You're making my heart a garden All the broken are mending The mournful rejoicing Seeing through tears Of peace overflowing And You walk with me You never leave You're making my heart a garden Yeah, You walk with me You never leave You're making our world a garden
