

# Blame It On Me

Sahlene

I'm stuck in a world I can't call mine or home

I'm lost in an answer I can't find alone

Can you rush me to an ending

But save me from the end

I got no more love pretending

I got a broken heart to mend

You blame it all all

Blame it all all

Blame it all

Blame it all all

Blame it all on me

You blame it all all

Blame it all all

Blame it all

Blame it all

Blame it all on me

Now you wonder why I found someone brand new yeah

Well girl I'm better than being just your substitute

Can you rush me to an ending

But save me from the end

I got no more love pretending

I got a broken heart to mend

You blame it all all

Blame it all all

Blame it all

Blame it all all

Blame it all on me

You blame it all all

Blame it all all

Blame it all

Blame it all

Blame it all on me

[x2]I'm feeling so much better

And now I can walk away

And I know I can forget her

I got no reason left to stay

Break a glass

Smash my car

Tear my pictures up  
Burn my clothes  
Tell your girls  
That I ain't worth a f\*ck  
Tell the world  
That you don't care  
But you cry inside  
You better start blaming yourself  
Or you can  
Blame it all all  
Blame it all all  
Blame it all  
Blame it all all  
Blame it all on me  
You blame it all all  
Blame it all all  
Blame it all  
Blame it all all  
Blame it all on me  
Can you rush me to an ending  
But save me from the end  
I got no more love pretending  
I got a broken heart to mend  
Blame it all all  
Blame it all all  
Blame it all  
Blame it all all  
Blame it all on me  
You blame it all all  
Blame it all all  
Blame it all  
Blame it all  
Blame it all on me
