

We Deserve a Happy Ending

The Reverend Peyton's Big Damn Band

We deserve a happy ending
It's been real since the beginning
Even when we're losing feels like we are winning
We deserve a happy ending Can't believe that I found you
I just love being around you
My whole life is about you
I can't make it without you baby We deserve a happy ending
It's been real since the beginning
Even when we're losing feels like we are winning
We deserve a happy ending
When I met you it made me
I didn't know it but it saved me
But if heaven wanna change things
I pray the lord instead take me
We deserve a happy ending
It's been real since the beginning
Even when we're losing feels like we are winning
We deserve a happy ending
3x We deserve a happy ending
3x
