

I Will Not Forget You

Waterdeep

(vs1) Many men will drink the rain
And turn to thank the clouds
Many men will hear You speak
But they will never turn around I will not forget You are my God, my King
And with a thankful heart I bring my offering
And my sacrifice is not what You can give
But what I alone can give to you A grateful heart I give, A thankful prayer I pray,
A wild dance I dance before you
A loud song I sing, A huge bell I ring,
A life of praise I live before You (vs2) Many men will pour their gold
And serve a thing that shines
Many men will read your words
But they will never change their minds
