

Good Luck Charm

Ohio Players

Girl, put a charm around my neck/She said that it would protect her me from our harm/ she said in this charm there's a piece of my soul/Dad in my love if I'm wrong I've grown cold and/No matter where you go I'll be with you/Baby our love is a good luck charm/ Wearing your love won't do you no wrong, (girl be strong)/ Baby our love is a good luck charm/ Wearing my love make me feel strong girl/ It will keep you going on/ There's, there's a man I've got to find/ I can't got no peace of mind lover/ Till I find him/ Sometimes remembering lies is all a lie/ Her good loving caused a fine/ Lord I remember/ She said in this charm there's a piece of my heart/ And nothing on earth could tear us apart/ So if you hear the shot be ready for the love to start/ Baby our love is a good luck charm/ And wearing my love can do you no wrong girl/ (feel strong, going strong)/ Girl I'm not superstitious oh but if i get my wishes/ we'd be together you might be the counter-spy, you might even be the F.B.I./ But I don't believe you would lie to me/ Baby our love is a good luck charm/ And wearing your love makes me feel so warm girl/ Baby our love is a good luck charm/ And wearing my love won't do you no wrong girl/ it'll make you feel strong/ it'll keep you going on/

Baby, baby, baby, baby, baby, baby,/ Baby bring you good luck charm/ Baby, baby, baby, baby, baby, baby/ Baby bring your good luck charm/ Wearing your love is a good luck charm/Wearing your love makes me feel so strong, makes me feel so strong, makes me feel so strong/Baby your love is a good luck charm/ And wearing your love kept me going back home girl/It will keep you going strong (good luck)/ Girl I'm not superstitious, huh/ Oh but if i get my wishes we will be together/ You might be the counter-spy/ You might even be the F.B.I./Oh but I don't believe you would lie (lie to me)/ Oh baby, Oh honey/ Baby our love is a good luck charm/It won't do you no wrong girl/Baby our love is a good luck charm/ It won't do you know wrong girl/ baby our love is a good luck charm/baby our love is a good luck charm/ Baby, baby, baby, baby, baby, baby/Baby is a good luck charm/it won't do you no wrong girl/ going strong, good luck
