

Wow Oh Wow

Jedward

Wow, oh wow, oh wow!
Wow, oh wow,
She's got me seein' red,
Like bang, bang, pow,
Eleven out of ten,
I don't know how,
Straight off the Richter scale,
She drives me wild,
I try to fight it,
But I can't let go,
She going low,
Out of control,
(Wow oh wow oh wow oh wow oh),
She got a body,
And it got me,
On the floor tryna get her,
Looking at me,
See, I got a feeling,
She got a feeling,
Wow, oh wow, oh wow,
She be a problem when the beat drops,
Got 'em all lined up around the whole block,
See, I got a feeling,
She got a feeling,
Wow, oh wow, oh wow!
Wow, oh wow,
She's got this energy,
Like bang, bang, pow,
Erotic overload,
It breaks me down,
My heart is racing,
And it can't slow down,
I try to shake it,
But I can't let go,
She's going low,
Out of control,
(Wow oh wow oh wow oh wow oh),
She got a body,
And it got me,

On the floor tryna get her,
Looking at me,

See, I got a feeling,
She got a feeling,
Wow, oh wow, oh wow,
She be a problem when the beat drops,
Got 'em all lined up around the whole block,
See, I got a feeling,
She got a feeling,
Wow, oh wow, oh wow!
Wow, oh wow, oh wow, oh wow,
She really got me singing wow! Oh wow!
Wow, oh wow, oh wow, oh wow,
Wow, wow, wow, wow, (Wow!),
She got a body,
And it got me, (Got me),
On the floor tryna get her,
Looking at me (At me)
See, I got a feeling,
She got a feeling,
Wow, oh wow, oh wow,
She be a problem when the beat drops,
Got 'em all lined up around the whole block,
See, I got a feeling,
She got a feeling,
Wow, oh wow, oh wow,
She got a body,
And it got me,
On the floor tryna get her,
Looking at me,
See, I got a feeling,
She got a feeling,
Wow, oh wow, oh wow,
She be a problem when the beat drops,
Got 'em all lined up around the whole block,
See, I got a feeling,
She got a feeling,
Wow, oh wow, oh wow!
Say wow oh wo-wow,
Say wow oh wo-wow,
Wow, oh wow, oh wow!
Wow, oh wow, oh wow!
