Hellrider

Judas Priest

Here they come
These gods of steel
Megatron
Devouring what's concealed
Speed of Death
Crossfired they stare
Final breath
From vaporizing glaresRaised to man oppressed
Sign of persecutionHellrider
Roars through the night
Hellrider
Raised for the fightAll incensed
To overthrow
Strong defense
With armaments they grow
By this quest
Their fate's renowned
Put to rest
Abominations crownTime to ram it down
Judgment for the tyrantHellrider
Roars through the night
Hellrider
Raised for the fight
Fight undying and eternal
Wheels bring death and pain infernal
Honor bound your strength repleted
To no end they're undefeatedHellrider, Hellrider
You fought their battle for them
Hellrider, Hellrider
You brought them through their despair
Hellrider, Hellrider
Your tempered steel relinquished
Hellrider, Hellrider
You slaught them all extinguishedWrath of doom
In killing fields
They consume
Their valiants never yieldTriumph to the gods
Vanquished of enslaversHellrider
Breaking their will

Hellrider
In for the killHellrider, Hellrider
You fought their battle for them
Hellrider, Hellrider
You brought them through it all
Hellrider
