

# Choir Girl

Katie Noonan

Looking like a choirgirl  
She's crying like a refugee  
Looking like a choirgirl  
She's crying like a refugee One nurse to hold her  
One nurse to wheel her down the corridors of healing  
Well I've been trying  
But she's crying like a refugee Loves me like a sister  
Loves me like an only child  
Loves me like a sister  
She loves me like an only child She's my connection  
I'll hold on  
And never, never, never let her down  
'Cause she's alone  
And she loves me like an only child Suffer little children  
Send that little child to me  
All day the doctor  
He handles his responsibility Looking like a choirgirl  
Crying like a refugee  
Looking like a choirgirl  
Crying like a refugee She's my connection, yeah  
I'll hold on  
And never, never, never let her down  
'Cause she's alone  
And she's crying like a refugee Looking like a choirgirl  
She's crying like a refugee  
Looking like a choirgirl  
She's crying like a refugee  
Yes she is
