

# Reckless

## Devour The Day

Don't slow down  
Run from the sun and stay out all night  
And right now  
I can be yours and you could be mine Out in the fray  
We can make our escape if we run  
Why would we wait  
We can make our escape if we run We are reckless, we are reckless  
We are young, we are fearless  
Finding our place  
In this world as it's wasting away With wide eyes  
We come undone, we come unwound  
And time flies  
Let's get so high we never come down Out in the fray  
We can make our escape if we run  
Why would we wait  
We can make our escape if we run We are reckless, we are reckless  
We are young, we are fearless  
Finding our place  
In this world as it's wasting away We are young, we are reckless  
And it's us against the world  
Yeah, it's us against the world We are reckless, we are reckless  
We are young, we are fearless  
Yeah, it's us  
Yeah it's us against the world
