

# Ghosts Of You

**Chantal Kreviazuk**

We were occupied  
I never had to go outside  
I was your alibi  
We were planning our escapeWe stayed up all night  
With Lucy in the diamond sky  
Drank cheap red wine  
And tucked ourselves to sleepCHORUS  
Please don't go  
These ghosts of you  
The only thing that help get me through the day  
Baby please don't go  
'Cause I love you  
You're the only one that will stay the sameWe could laugh out loud  
And sing until the sun came out  
We took a secret vow  
That we would never changeYou always loved to dance  
I wish we had another chance  
To go back in time  
And do it all againCHORUSI don't want to live forever  
But if we could be together  
Then I wouldn't mind infinity  
I don't want to live forever  
Oh, but I can still remember  
No, I wouldn't mind infinityCHORUS x 2
