SITTING AROUND AT HOME

sittin round at home, sittin round at home, sittin round at home watchin the
pictures go. sittin round at home, sittin round at home, sittin round at home
watchin the pictures go freestyle!!
i watch the news at work, i do it every day i always find someone to take my
mind away it's a family show top of the stereo something for everyone to watch,
a favourite show yo!!
whatever turns you on, i'll come and turn it off' ideal state of mind increase
your position huktoo sitting around home
