

Watch Me Bleed

Inmoria

Heaven comes to he who waits
But I know I'm getting nowhere
And all the deeds of yesterday
Have really helped to pave my way
Though there's no one near me now
How come everyone can touch me now?

You see the torture on my brow
Relates to neither here nor now

Watch me bleed

Bleed forever

Watch me bleed

Bleed forever

Although my face is straight it lies
My body feels the pain and cries

Here the table is not bare

I am full but feeling empty

For all the warmth it feels so cold

Ooh I'm so young I feel so old

Watch me bleed

Bleed forever

Watch me bleed

Bleed forever

It's not allowed to be unkind

But still the hate lives in my mind

I'll make no noise I'll hide my pain

I'll close my eyes I won't complain

I'll lie right back and take the blame

And try to tell myself I'm living

And when it's all been said or done

Where do I go? Where do I run?

What's left of me or anyone

When we've denied the hurting?

Oh oh oh oh oh

Pa pa pa pa pa pa pa pa

And when it's all been said or done

Where do I go, where do I run?

What's left of me or anyone

When we've denied the hurting ?

Oh oh oh oh oh

Watch me bleed
Bleed forever
Watch me bleed
Bleed forever
And all the deeds of yesterday
Have really helped to pave my way
Watch me bleed
Bleed forever
Watch me bleed
Bleed forever
And all the deeds of yesterday
Have really helped to pave my way
