

# Prayer for You (Interlude)

[Usher](#)

You gunna say something to the people  
Prayer for you, a prayer to you  
Do I sound that bad? Just the simple thought of you means everything  
To my life you give meaning, you're the best thing  
So precious my gift for life  
That's why I send you up this prayer I pray for your protection, your covering  
That everything intended for you, you'll receive  
And I believe He'll guide you  
Lord, honor my prayer Prayer for you, a prayer to you  
I pray for you, pray for you I'll do my best to be there for you everyday  
To be what my father wished he was to me  
Baby, I got you  
Daddy, you'll be there I'll be there  
To encourage you to be the best you can be  
You carry my name, I pray that you're better than me I ain't going nowhere  
Even when I get on your nerves  
Cause I'm your daddy My prayer for you  
Son I pray for you
