When We Were Young

[Auryn](#)

"When We Were Young"
Remember the days when
We were the heroes
Singing our favourite songs
We fell into pieces
Nothing could break us
Nights went on and on
Life went on and onMemories are fading
They were sacred
Back when we were young
Back when we were youngWhen we were young
When we were young
Even though we thought we had it all
It went away
When we were young
But we got lost
We got lostDidn't swim in the main stream
Created our own dreams
What a difference a day can makeThe bonds are gone now
Gone forever
Still I wonder where you are
Life went on and onWhen we were young
When we were young
Even though we thought we had it all
It went away
When we were young
But we got lost
We got lostEven though we thought we had it all
It went away
We got lost
LostBack when we were young
Back when we were young
When we were young
Back when we were young
