

Somewhere Along the Way

[Natalie Cole](#)

I used to walk with you
Along the avenue
Our hearts were carefree and gay How could I know I'd lose you
Somewhere along the way? The friends we used to know
Would always smile, "Hello"
No love like our love they'd say Then love slipped through our fingers
Somewhere along the way I should forget
But with the loneliness of night
I start remembering everything You're gone and yet
There's still a feeling deep inside
That you will always be part of me So now I look for you
Along the avenue
And as I wander I pray That some day soon, I'll find you
Somewhere along the way I should forget
But with the loneliness of night
I start remembering everything You're gone and yet
There's still a feeling deep inside
That you will always be part of me So now I look for you
Along the avenue
And as I wander I pray That some day soon, I'll find you
Somewhere along the way
Somewhere along the way
