Here's to Being Here

Thompson Square

Na na na na na na na na na na na
Na na na na na na na na na na naWe could be anywhere we want to
We're just a little blue dot on the GPS
We got all night and nowhere to get to
And it don't get no better than thisSo here's to being here with you
Ain't no place that I'd rather be
Here's to being here right now, tonight
Here's to good friends, let's crank it up a tune
Live tonight like it's never gonna end
No worries, no cares, get your glasses up in the airHere's to being here
Na na na na na na na na na na na
Here's to being here
Na na na na na na na na na na naSometimes life just smiles down on you
And everything works out just right
We're no quite sure just how we got to where we got to baby
But we're sure gonna have a good timeSo here's to being here with you
Ain't no place that I'd rather be
Here's to being here right now, tonight
Here's to good friends, let's crank it up a tune
Live tonight like it's never gonna end
No worries, no cares, get your glasses up in the air
Here's to being hereHere's to us all night
Here's to turnin' loose
Here's to me and here's to you
So come on, come on, come onSo here's to being here with you
Ain't no place that I'd rather be yea
Here's to being here right now, tonight
Here's to good friends (good friends), let's crank it up a tune (to a tune)
Live tonight like it's never gonna end (tonight it's never gonna end)
No worries, no cares, get your glasses up in the airHere's to being here
Na na na na na na na na na na na
Here's to being here
Na na na na na na na na na na na
