

Hyperballad

Björk

We live on a mountain
Right at the top
There's beautiful view
From the top of the mountain Every morning I walk towards the edge
And throw little things off
Like car-parts, bottles and cutlery
Or whatever I find lying around
It's become a habit, a way to start the day I go through all this
Before you wake up
So I can feel happier
To be safe up here with you I go through all this
Before you wake up
So I can feel happier
To be safe up here with you It's early morning
No one is awake
I'm back at my cliff
Still throwing things off I listen to the sounds they make
On their way down
I follow with my eyes
'Til they crash I imagine what my body would sound like
Slamming against those rocks
And when it lands
Will my eyes be closed or open? I go through all this
Before you wake up
So I can feel happier
To be safe up here with you I go through all this
Before you wake up
So I can feel happier
To be safe up here with you I go through all this
Before you wake up
So I can feel happier
To be safe up here with you Safe up here with you
Safe up here with you
Safe up here with you
