I Am Here

Savages

I don't know what to say,
Everything is wrong,
I can't believe that I was so blind,
Once again I lost my way,
I know that you're gone,
All I want is what I strived
I know I hurt you deep inside
Maybe you can't forgive the lies
But I can't hide my tears,
I don't wanna lose you,
I know that in my heart
You still feel the same way too
I said so many things before
Never stopped to think
So please try to understand
I know I hurt you deep inside
(I know I hurt you deep inside)
Maybe you can't forgive the lies
So I am here, all alone
I can't let go
And the circles of my mind
And my head is spinnin' round like I just made the bridges fall
I can't go on
Without your love
I am going crazy
Never stopped loving you
But the writing's on the wall
I don't wanna cry anymore
The letters that I wrote
I could never send
I was just a fool you see
I know you trusted me
I was just so weak
Now I am guilty for your pain
I know I hurt you deep inside
(I know I hurt you deep inside)
Maybe you can't forgive the lies

So I am here, all alone

I can't let go
And the circles of my mind
And my head is spinnin' round like I just made the bridges fall
I can't go on
Without your love
I am going crazy
Never stopped loving you
But the writing's on the wall
So I am here, all alone
I can't let go
And my head is spinnin' round like I just made the bridges fall
I can't go on
Without your love
I am going crazy
Never stopped loving you
But the writing's on the wall
If you want me back in your life
I shall be here if you wanna try
Yeah
So I am here, all alone
I can't let go
And my head is spinnin' round like I just made the bridges fall
I can't go on
Without your love
I am going crazy
Never stopped loving you
But the writing's on the wall
So I am here, all alone
I can't let go
So I am here
I cant go on without your love
Yeah yeah
So I am here, all alone
I can't let go
I can't go on without your love
So I am here
So I am here all alone
