# Summerland

## Lunatic Soul

Black procession in the rain
Lovely brand new hearse
Everyone cries
Everyone cares
Or maybe just pretends

Oh, itâ€™s your big moment, by the way

Cold at heart
Indifference
Thought they were your best friends
Tears & flowers
From the one
You never would expect

Oh, itâ€™s your big moment, by the way
Would you like to tell them something?

Do you remember what you said
When I looked into your eyes
For the first time
I know youâ€™re not quite ready yet
But thereâ€™s nothing to be afraid of
In your Summerland.

On the wall
In the waiting room
Still life in a frame
At the end of the corridor
Someone screams your name

Oh, itâ€™s your big moment by the way
Would you like to tell him something?

Do you remember what you said
When I looked into your eyes
For the first time

I know youâ€™re not quite ready yet
But thereâ€™s nothing to be afraid of
In your Summerland
