

# Summerland

## Lunatic Soul

Black procession in the rain  
Lovely brand new hearse  
Everyone cries  
Everyone cares  
Or maybe just pretends

Oh, itâ€™s your big moment, by the way

Cold at heart  
Indifference  
Thought they were your best friends  
Tears & flowers  
From the one  
You never would expect

Oh, itâ€™s your big moment, by the way  
Would you like to tell them something?

Do you remember what you said  
When I looked into your eyes  
For the first time  
I know youâ€™re not quite ready yet  
But thereâ€™s nothing to be afraid of  
In your Summerland.

On the wall  
In the waiting room  
Still life in a frame  
At the end of the corridor  
Someone screams your name

Oh, itâ€™s your big moment by the way  
Would you like to tell him something?

Do you remember what you said  
When I looked into your eyes  
For the first time

I know youâ€™re not quite ready yet  
But thereâ€™s nothing to be afraid of  
In your Summerland
