

# Unwell

## Biotech

All day starin' at the ceilin' makin' friends with shadows on my wall  
All night hearing voices tellin' me that I should get some sleep  
Because tomorrow might be good for somethin'  
Hold on, feelin' like I'm headed for a breakdown  
And I don't know why But I'm not crazy, I'm just a little unwell  
I know, right now you can't tell  
But stay a while and maybe then you'll see  
A different side of me I'm not crazy, I'm just a little impaired  
I know, right now you don't care  
But soon enough you're gonna think of me  
And how I used to be, me I'm talkin' to myself in public, dodging glances on the train  
And I know, I know they've all been talkin' about me  
I can hear them whisper, and it makes me think  
There must be somethin' wrong with me  
Out of all the hours thinkin', somehow I've lost my mind But I'm not crazy, I'm just a little unwell  
I know, right now you can't tell  
But stay a while and maybe then you'll see  
A different side of me I'm not crazy, I'm just a little impaired  
I know, right now you don't care  
But soon enough you're gonna think of me  
And how I used to be I've been talkin' in my sleep  
Pretty soon they'll come to get me  
Yeah, they're takin' me away I'm not crazy, I'm just a little unwell  
I know, right now you can't tell  
But stay a while and maybe then you'll see  
A different side of me I'm not crazy, I'm just a little impaired  
I know, right now you don't care  
But soon enough you're gonna think of me  
And how I used to be yeah, how I used to be How I used to be  
Well, I'm just a little unwell  
How I used to be, how I used to be  
I'm just a little unwell
