

C'est la vie

Chanel West Coast

We're right there on the West Coast,
Face coast, movie stars ball and I skip role.
Will buy a yacht on the best [?]
Last calls, bootie calls, balls and the brain drops
Uh, so c'est la vie, c'est [?] blocks on bootie streets
Got the best of me, like a [?] holding hands is it destiny, uh?
It ain't hard to tell, but I got the feeling that I'm losing this round
When I fell from hell, but I keep believing the love that I found!
Down on the West Coast, they got this saying
If you're not drinking, then you're not playing with you
You, got the music in you, got the music in you,
Don't you?
Down on the West Coast, I get this feeling like
It all could happen,
That's why I'm leaving you for the moment
You for the moment,
Boy Blue, yeah you!
You're flying hot at the show,
I'm feeling' hot to the touch
You say you'll miss me the most,
I say I'll miss you so much
Something keeps me real quiet,
I'm alive, I'm a-lush
Your love, your love, your love!
Uh baby, uh baby, I'm in love!
I can see my sweet boy swaying
He's crazy y cubano como yo, my love
On the balcony and I'm saying
Move baby, move baby, I'm in love!
