

Night Witches (Track Commentary)

Sabatons

From the depths of hell in silence
Cast their spells, explosive violence
Russian night time flight perfected
Flawless vision, undetected Pushing on and on, their planes are going strong
Air force's number one
Somewhere down below they're looking for the foe
Bomber's on a run
You can't hide, you can't move, just abide
Their attack's been proved (raiders in the dark)
Silent through the night the witches join the fight
Never miss their mark Canvas wings of death
Prepare to meet your fate
Night bomber regiment
588 Undetected, unexpected
Wings of glory
Tell their story
Aviation, deviation
Undetected
Stealth perfected Foes are losing ground, retreating to the sound
Death is in the air
Suddenly appears, confirming all your fears
Strike from witches lair
Target found, come around, barrels sound
From the battleground (axis aiming high)
Rodina awaits, defeat them at the gates
Live to fight and fly Canvas wings of death
Prepare to meet your fate
Night bomber regiment
588 Undetected, unexpected
Wings of glory
Tell their story
Aviation, deviation
Undetected
Stealth perfected Beneath the starlight of the heavens
Unlikely heroes in the skies (witches to attack, witches coming back)
As they appear on the horizon
The wind will whisper when the night witches come Undetected, unexpected
Wings of glory
Tell their story

Aviation, deviation
Undetected
Stealth perfected From the depths of hell in silence
Cast their spells, explosive violence
Russian night time flight perfected
Flawless vision, undetected
