

Heavy Rope (acoustic)

Lights

Strange hands, taking my wrist again
Somehow, I'm still alone.
Voices, shaking my steps again
I, follow.

I'm a, little bit on the edge,
Hold up, hand out of reach.
I can't, hear much of what you said.
Come for me.

Don't let me tumble away,
Into the throws of the shadowy bay,
I cling to the rock, and it's crumbling off,
Toss me a heavy rope,
It's a slippery slope
Come bail me out of this godforsaken precipice
Come bail me out of this godforsaken precipice

Turned up, in this old place again
Can't seem, to get away
Take me back to my element
I'm afraid.

Don't let me tumble away,
Into the throws of the shadowy bay,
I cling to the rock, and it's crumbling off,

Toss me a heavy rope,
It's a slippery slope
Come bail me out of this godforsaken precipice
Come bail me out of this godforsaken precipice

Oh I'm not a lost cause,
I'm just stuck in this spot,
And I'm prone to falling off,
So toss me a heavy rope.
It's a slippery slope.
Come bail me out of this godforsaken precipice
Come bail me out of this godforsaken precipice

Don't let me tumble away,
Into the throws of the shadowy bay,
I cling to the rock, and it's crumbling off,
Toss me a heavy rope,
It's a slippery slope
Come bail me out of this godforsaken precipice
Come bail me out of this godforsaken precipice
Come bail me out of this godforsaken precipice
Come bail me out of this godforsaken precipice
