

# Safe

**Britt Nicole**

You keep trying to get inside my head  
While I keep trying to lose the words you said  
Can't you see I'm hanging by a thread  
To my life, what I know, yeah, I'm losing control and Oh no, my walls are gonna break  
So close, it's more than I can take  
I'm so tired of turning and running away  
When love just isn't safe You're not safe I'm strong enough I've always told myself  
I never want or need somebody else  
But I've already fallen from that hill  
So I'm dropping my guard  
Here's your chance at my heart and Oh no, my walls are gonna break  
So close, it's more than I can take  
I'm so tired of turning and running away  
When love just isn't Everything you want, but it's everything you need  
It's not always happy endings, but it's all the in-betweens  
It's taken so long, so long to finally see  
That Your love is worth the best Oh no, my walls are gonna break Oh no, my walls are gonna break  
So close, it's more than I can take  
I'm so tired of turning and running away  
When love just isn't safe Oh no, my walls are gonna break  
So close, it's more than I can take  
I'm so tired of turning and running away  
When love just isn't safe You're not safe, and that's okay
