

Pretty in Dirty

Circuit Assassins

She's looking for some action
She's the main attraction
She's ready to go, ready to go, can't say no, can't say no
She's looking for that feeling with every heart she's
stealing
Go me so ready to go, ready to go, can't say, no...
Be careful, she's dirty like garbage
G-A-R-B-A-G-E
Right or wrong she's gonna' do it till she's dirty, do it till she's dirty, oh
And it's ok cause she looks so pretty, so pretty, oh
Cause she likes how it feels when the sub's down low
Wanna' dance with the devil where the angels won't go
Right or wrong she's gonna' do it till she's pretty in dirty
Right or wrong do it till your dirty, dirty
She wants to taste it savor and embrace it
She's ready to go, ready to go, can't say no, she can't say no
She's a hot mess and I like it
So ready to go, ready to go, can't say no...
Be careful, she's dirty like garbage...
Right or wrong she's gonna' do it till she's dirty, do it till she's dirty, oh
And it's ok cause she looks so pretty, so pretty, oh
Cause she likes how it feels when the sub's down low
Wanna' dance with the devil where the angels won't go
Right or wrong she's gonna' do it till she's pretty in dirty
She's so pretty...
Right or wrong she's gonna' do it till
she's dirty, do it till she's dirty, oh
And it's ok cause she looks so pretty, so pretty, oh
Cause she likes how it feels when the sub's down low
Wanna' dance with the devil where the angels won't go
Right or wrong she's gonna' do it till she's pretty in dirty...
